Melissa-

Sorry about not getting the list of questions to you yet - I've had a couple cases pop-up last minute, and the weather has limited my time in the lab. I'll try to get them to you later today or tomorrow.

As for the [REDACTED] trial, February 17th would work for me (I found out earlier today that I will not be needed in Wareham District Court that day). Here is the rest of my schedule until the last week of March (so far):

DATE	COURT
2/8/2011	Springfield District
2/8/2011	Springfield District
2/9/2011	Springfield District
2/15/2011	Springfield District
2/15/2011	Holyoke District
2/16/2011 (trial starts on 2/15/2011)	Fall River Superior Court
2/16/2011	Springfield District
2/23/2011	Springfield District
2/23/2011	[REDACTED] @ 4pm
3/2/2011	Westfield District
3/3/2011	Springfield District
3/7/2011	Pittsfield District

If I already have a Springfield District case, there should be no problem for me to also make it to Superior Court, but Fall River and Pittsfield would be tough.

Hi Sonja,

You should be getting a summons on this case in the near future. As it looks now, you can be on call. Just please let me know if you have any scheduling conflicts in the weeks following so that I can alert the court.

Also, When you get a chance, can you send me those questions that you had mentioned.

Thanks,
Melissa
